MEMORANDUM FOR: Major J. W. Jacobson, GS
NIS Coordinator
Department of the Army

FROM: Vice Chairman, NIS Committee

SUBJECT: NIS Returned to the Record Center

1. Attached is a carbon copy of the receipt sent in with the NIS returned directly to the Record Center, CIA. In our telephone conversation on this matter I mentioned that the transmittal letter stated that these NIS were surplus to their needs. However, I find that there is no transmittal letter. This statement is contained at the head of the listing of Sections returned.

3. I will appreciate your following through on this with SDMICC and advising us of your findings.
